**Cosoft N°: 83374602**  
**Country: Ethiopia**

Ladies and Gentlemen,

We intend to award a contract for the following project activity  
commissioned by the German Federal Ministry for Economic  
Cooperation (BMZ):

**Investigate the main problem of the installed PV Power system and  
system components starting from design to implementation.  
Examine the Possible potential factors those could be causes for  
non-functionality of the system and system components.  
Recommend a solution for sustainable use of the system. Check  
the quality of the component installed specially the battery. Check  
the system configuration.**

### **Submission deadline**

Should you be interested in implementing the tasks according the  
attached Terms of Reference, we kindly ask you to submit your bid to  
the GIZ by **Monday, March 01, 2021 @ 04:30pm.**

Please address your bid to:

German Development Cooperation  
GIZ-Office, Addis Ababa  
Kazanchis, Near Jupiter Hotel  
Bloom Tower 9<sup>th</sup> Floor  
Reception Desk

If you have any further questions in the connection with the tender, please only contact via email address [pcc@giz.de](mailto:pcc@giz.de) at the GIZ Office.

Bids are to be submitted using the two-envelope procedure; i.e. we request that you submit your price offer in separate, sealed envelope addressed as follows:

***Price offer for bid***

**Project title:** EnDev Ethiopia  
**Project N°:** 14.2275.7-207.00  
**Cosoft N°:** 83374602  
**Country:** Ethiopia

The sealed price offer is to be placed inside the envelope containing the technical bid.

The outer package/envelope must be labelled as:

***Bidding documents***

**Project title:** EnDev Ethiopia  
**Project N°:** 14.2275.7-207.00  
**Cosoft N°:** 83374602  
**Country:** Ethiopia

**Form and Costs**

All of the bid must be submitted in written form. No remuneration will be paid by GIZ for preparing the bid.

Subsequent corrections or modifications to the bid can be submitted until the deadline for submission and must be made in the same form as the bid.

The bid must be based on the General Terms and Conditions of Contract ('Terms and Conditions local', Annex 4) for supplying services and work on behalf of the Deutsche Gesellschaft für Internationale Zusammenarbeit (GIZ) GmbH. In the event of an award of contract, they will become an integral part of the contract. The bidder's general terms and conditions of business or payment do not apply.

If you are forming a bidding consortium or association, the bid must show who the members are and how the work is divided between them. Specifically, all members must name the lead member and authorize this member to represent the association and to receive payments on behalf of the other members. The members must also acknowledge joint and several liabilities for performing the contract. A corresponding written authorization must be attached to the bid.

### **Content of the technical offer**

The technical offer submitted must contain a detailed methodological concept in accordance with the terms of reference which allows technical evaluation in terms of the objective of the measure.

Furthermore, the technical offer must contain the Curricula vitae for the experts proposed for the project. CVs should include information on:

- name, title, nationality, date and place of birth, education and professional training,
- professional experience showing length of employment, countries of assignment, positions held, projects and programs and responsibilities and management experience,
- Special knowledge, language skills showing fluency.

The offer shall be submitted in the language of the tender documents.

The technical offer may not include any price information. Non-compliance may result in your bid not being considered.

### **Content of the price offer**

The price offer must contain the fee per expert, the travel costs (flight costs etc.) and other costs if necessary in the specified currency according to Annex 3 (price schedule). Please see the attached Terms of Reference and price sheet for details of the quantities required.

Please calculate your prices on a net basis. Taxes should be indicated separately.

### **Evaluation of Offer**

After the final technical evaluation (cf. Assessment Grid for the Technical Evaluation of Bids, Annex 2), only the price offers of bids with at least 501 points will be opened and evaluated. Technical offers below 501 points will be considered as technical not acceptable. The technical offer has a weighting of 70%, the price offer 30%.

The evaluation of the bids is scheduled to be completed by 12.03.2021.

The final result is an overall ranking, headed by the most cost-effective bid. Contract negotiations will be initiated on the basis of this overall ranking.

### **Commencement of work**

The work is scheduled to commence on 15.03.2021. Your bid is binding until that date. If you do not receive an order in writing until that date, your bid has not been accepted. You shall not receive separate notice to this effect.
